Subject:	Identifying the Ford Transit V362/363 dashboard.		

This document will help you to choose the right VB-SemiAir kit for your Ford Transit/Tourneo Custom V362 or Ford Transit V363. You need to identify the type of dashboard that is installed in your vehicle. In the images below dashboards are depicted, belonging to the model and model year (MY), as well as the VB kitnumbers used for ordering.
